INTERCHANGE

Glenn Highway Muldoon Road INTERCHANGE

The Alaska Department of Transportation is working with Neeser Construction to improve the Glenn Highway and Muldoon Road Interchange over the course of three construction seasons (2016 - 2018). Upon completion, the Glenn Highway and Muldoon Road Interchange will have a new diverging diamond interchange. The new interchange will have a much higher capacity for vehicles, reduce travel delays, and provide safer, more efficient pedestrian access across the highway. This project is scheduled to be complete by November 2018.

STATE of ALASKA DEPARTMENT of
TRANSPORTATION & PUBLIC FACILITIES

PUBLIC OPEN HOUSE:

A PUBLIC OPEN HOUSE will be held on Wednesday, March 16 at Bartlett High School (1101 Golden Bear Drive) in the Yellow Cafeteria Room from 6:30pm to 8:00pm, with an informal presentation beginning at 7:00pm. During this time, project teams will be available to review the scope of work and provide information about the project.

CONSTRUCTION UPDATES:

- This project will consist of day and nighttime work, and will include intermittent road, intersection and ramp CLOSURES, various DETOUR routes, NEW TRAFFIC PATTERNS and flagging operations.
- Beginning early April, expect CLOSURES at the Muldoon Road and Boundary Avenue intersection, as well as the northbound Glenn Highway on-ramp at Muldoon Road, and the Northbound Glenn Highway Muldoon Road off-ramp. Please plan accordingly and follow construction signs for DETOUR routes to Boniface Parkway and Debarr Road. More information will be available at a later date.
- If you would like to receive email updates for this project, please email GlennMuldoonInterchange@spawnak.com.

For more information, call DOT at 269-0661, Neeser Construction at 276-1058 or visit AlaskaNavigator.org.
